

Club Member and Participants Declaration

SLC Aquadot has a proud history, built on shared values - a positive and friendly community environment that does everything it can to enable every member to pursue their own goals regardless of ability or age, to encourage and support each other, and to strive for excellence - as one team.

As a signatory to the Swimming Australia National Integrity Framework, SLC Aquadot is committed to make swimming a positive, supportive, safe and fair place for participants - Athletes, Coaches, Administrators, Officials, Support personnel and Parents/Carers/Spectators.

Our Club values are underpinned by minimum standards of behaviour, which are outlined by:

- The Swimming Australia National Integrity Framework
- The Swimming Australia Code of Conduct
- SLC Aquadot Constitution
- SLC Aquadot Rules and By-Laws

All documents are updated from time to time and are attainable from the SLC Aquadot, Swimming NSW, and Swimming Australia websites as applicable.

By signing this declaration as part of the membership application process, and annual renewal process, all Participants - including Parents/Carers/Spectators of members under 18 years of age, are acknowledging that they play an important role in our Club community continuing to uphold this commitment.

I make this declaration, on behalf of myself and participants associated with this membership application, to act in accordance with the shared values of SLC Aquadot, the minimum standards of behaviour, and support SLC Aquadots' commitment to making swimming a positive, supportive, safe and fair place for all members and their families.

I acknowledge that failure to uphold this commitment may lead to disciplinary measures being taken in accordance with the SLC Aquadot Constitution and Swimming Australia Complaints, Disputes and Discipline Policy.
